

Homework Grid

Year Group (teacher):

Y5 (Mr Jones)

Half term:

Autumn 2

Key Skills	Read a book a week. Draw the main characters and write about their behaviour and personalities.	Practise turning simple sentences into compound and complex sentences (see attachment)	Practise addition of fractions to one whole. E.g. $0.2 + 0.8 = 1.0$, $0.37 + 0.63 = 1.0$ $0.356 + 0.644 = 1.0$	You can download old sats papers for reading comprehension and maths From www.emaths.co.uk
	Write a letter to the local council to persuade them that they should collect the bins more often.	Make models from junk material you might normally throw away. E.g. a stable with a manger and various nativity figures.	Calculate your own carbon footprint on www.cooltheworld.com	Use your persuasive techniques practised in Literacy to convince adults to walk or cycle a journey they would usually drive.
	Visit a local pond and do a spot of pond-dipping. There's one very near school on Ecclesall Rd- The Sunnybank Nature Reserve. (see attachment)	Write a recount of any trip or outing you have been on.	Draw a storyboard with captions for any book, film or play you have seen.	Use recycled material to make a Christmas decoration or a Christmas card for a friend.
	Look up how to make mince pies and persuade an adult to help you make them. Make sure you measure ingredients correctly.	Solve mathematical Christmas problems- (see attachment).	Go on Argos.com- imagine you have £500 pounds to spend. Try to get as close as you can to £500 when you shop for ; A PS3, a bike, a football, a skipping rope, a watch, a kindle(any) and a hairbrush.	Research "Keys" which help to identify plants and animals- here's a good place to look- www.woodlands-junior.kent.sch.uk/revision/science/lining/keys.html
