Instructions

Art

We will be studying and recreating a piece of art work that uses stencils and we will create

different effects using watercolour.

Science

Keeping Warm

We will learn to fairly test materials for insulation, waterproofing and strength.

We will then design and make a coat that could be worn in the Antarctic.

Maths

Time Multiplication

Shape Division

Addition

Subtraction

Measuring

Snow and Survival

Spring 2

Wow event – Kingswood 24th to 26th of February

Topic

Our topic is **Snow and Survival**

We will be learning about the explorers that have visited the Antarctic the research they did and what they needed to do to survive in the cold.

Health and Wellbeing

Health

We will be learning how to keep our bodies healthy. Thinking about how food and exercise affects our body.

Physical Education

Composition

Children will work on developing fluent sequences and routines.

Religious Education

Trust and Betrayal

We will be learning about trust and betrayal in the Easter story.
