

## Literacy

Story writing

Poetry

Recounts

## Art

We will be designing and creating models of the Titanic using clay.  
We will be mixing paints to create different shades for our model.

## Science

**Why didn't it float?**

We will be testing materials to see if they float and then designing and making our own floating lifeboats.

## Maths

Partitioning

Addition

Subtraction

Problem solving

Number and shape patterns

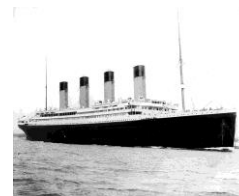

# The Titanic

## Summer 1

## Topic

Our topic is **The Titanic**  
We will be learning about the events before during and after the Titanic disaster. We will be using evidence to find out more information about the passengers onboard.

## Physical Education

### **Leadership**

Children will learn to give instructions, make improvements, follow rules, lead small groups and develop new activities.

## Health and Wellbeing

### **Health**

We will be learning how to keep our bodies healthy. Thinking about how food and exercise affects our body.

## Religious Education

### **Judaism**

We will be learning about the Torah and visiting a Synagogue.
