

English

First, to celebrate the 100th birthday of Roald Dahl we will be exploring the text 'Georges' Marvellous Medicine'. We will also be covering a variety of different genres over the half term which will be linked to our topic, including Norse Myths!

Maths

We will be focusing on:

- Counting, partitioning and the place value of numbers
- Number facts and finding patterns in numbers
- Addition, subtraction, multiplication and division (written methods)

Art

Making a Viking Longboat

We will be designing and making our own Viking Longboat using different materials.

The Vikings

Autumn 1

Topic - THE VIKINGS

We will be answering the questions that the children have asked about the Vikings.

For example;

- Where did they originate?
- What did they wear?
- What impact did they have on Britain?
- Who did they defeat/fight?
- How did they fight?
- What about the women and children?

Science and Technological Understanding

Budding Inventors

We will be:

- Exploring different inventors and their inventions
- Debating their importance to society
- Designing our own useful invention

Health and Well-being

Emotions and Relationships

This includes:

- How to handle strong emotions
- Dealing with negative pressures
- Stereotyping and discrimination
- Managing challenging relationships
- Learning how relationships develop

RE

The Church its people

We will be comparing religious buildings, exploring the features of the Church and discussing who may visit them.
