

# Homework Grid

Year Group (teacher):

Y2 (Mrs Doherty)

Half term:

Autumn 2

This is our new homework grid, which is for this half term. You can complete any of the activities on the grid and then bring it into school to show us and tick it off the list in your classroom. If you are not sure, find an activity difficult or want to tell us anything, see your teacher so that we can help.

Key Skills	Write a story about an adventure in space.	Go to the library and see if you can find any books about space 	Practise the 'doubling rap'. Can you find all the doubles to 20? If you can then have a go at doubling numbers up to 100. Try to do this as quickly as possible.	Read your reading book and talk about the story. 
	Design an alien, draw a picture and think about what it is called, where it lives and what it looks like.	Use similes to write a poem about the sun or the moon.	Write a newspaper article reporting sightings of aliens.	Draw or paint a space rocket. 
Topic	Practise your times tables using moon maths <a href="http://www.primaryresources.co.uk/online/moonmaths.swf">http://www.primaryresources.co.uk/online/moonmaths.swf</a>	Think of a mnemonic to help you remember the order of the planets in the solar system.	Go on a shape hunt around your house and see how many different shapes you can find. Can you think of a way to sort them?	Cook some food and write a recipe for school.
Topic	Research space facts using the internet and make a factsheet to share with the class.	Pretend you are an astronaut on a space mission. Write a diary entry to describe what it is like.	Keep up to date with space news at <a href="http://www.bbc.co.uk/newsround/14082427">http://www.bbc.co.uk/newsround/14082427</a>	Draw all of the phases of the moon.
